Spring Is Here!

2026 PCBC Annual Members Meeting and Beach Cleanup

The PCBC Board Members welcome the PCBC Community to the 2026 Annual Members Meeting and Beach Cleanup on **Sunday April 26th, 2026**. Your presence is necessary to ensure we have a quorum to conduct official club business.

Cleanup will be held from 10:00AM-12:00PM. The meeting will begin at 12:00PM.

Please bring along any tools or equipment that you think will aid in the cleanup, we greatly appreciate it!

2026 Memberships

2026 dues can be paid now through the beach club website at pondercovebeachclub.com. 2026 Membership applications are located on the site for downloading.

REMINDER: Membership dues slightly increased last year, please review the new fee schedule on the website before submitting payments.

NOTE: PayPal charges a 3% fee for using online payment services. Please incorporate this 3% to your TOTAL cost for chosen amenities in your 2026 membership payment. Electronic payment is preferred!

2026 Board Positions

We will hold a vote to fill the expiring/resigning board member positions below:

2026 Spring Cleanup Projects

The Board will be requesting suggestions for project proposals, these will require community vote so don't miss the annual meeting! Please come and show your support, and voice! Let's make this the best Annual Meeting yet!

- **Gumballs/Debris!** We will be clearing out all the gumballs and natural debris from the park areas. Bring your blowers and rakes to help with this project. We could use extra yard waste bins and bags if you have them handy.
- **Pavilion and Dock Sealing!** We will be sealing the pavilion and dock boards, please bring extra paint brushes and any supplies you feel will assist.
- **Boat Ramp Cleanup!** We will be removing sand/rocks from the boat ramp and clearing any obstacles/foilage. Let's hope for a low tide!
- **Playground Mulch!** We will be ordering a large load of mulch to replace the old and decomposing mulch. This is a large project that will require a lot of help/shovels/wheelbarrows.
